

OFF HIGHWAY VEHICLE OPPORTUNITY

Legend

This map was designed to show general locations of OHV recreation sites in Oregon. For specific directions to the site, please contact the land manager contacts found on the back of this map.

Trip Planning

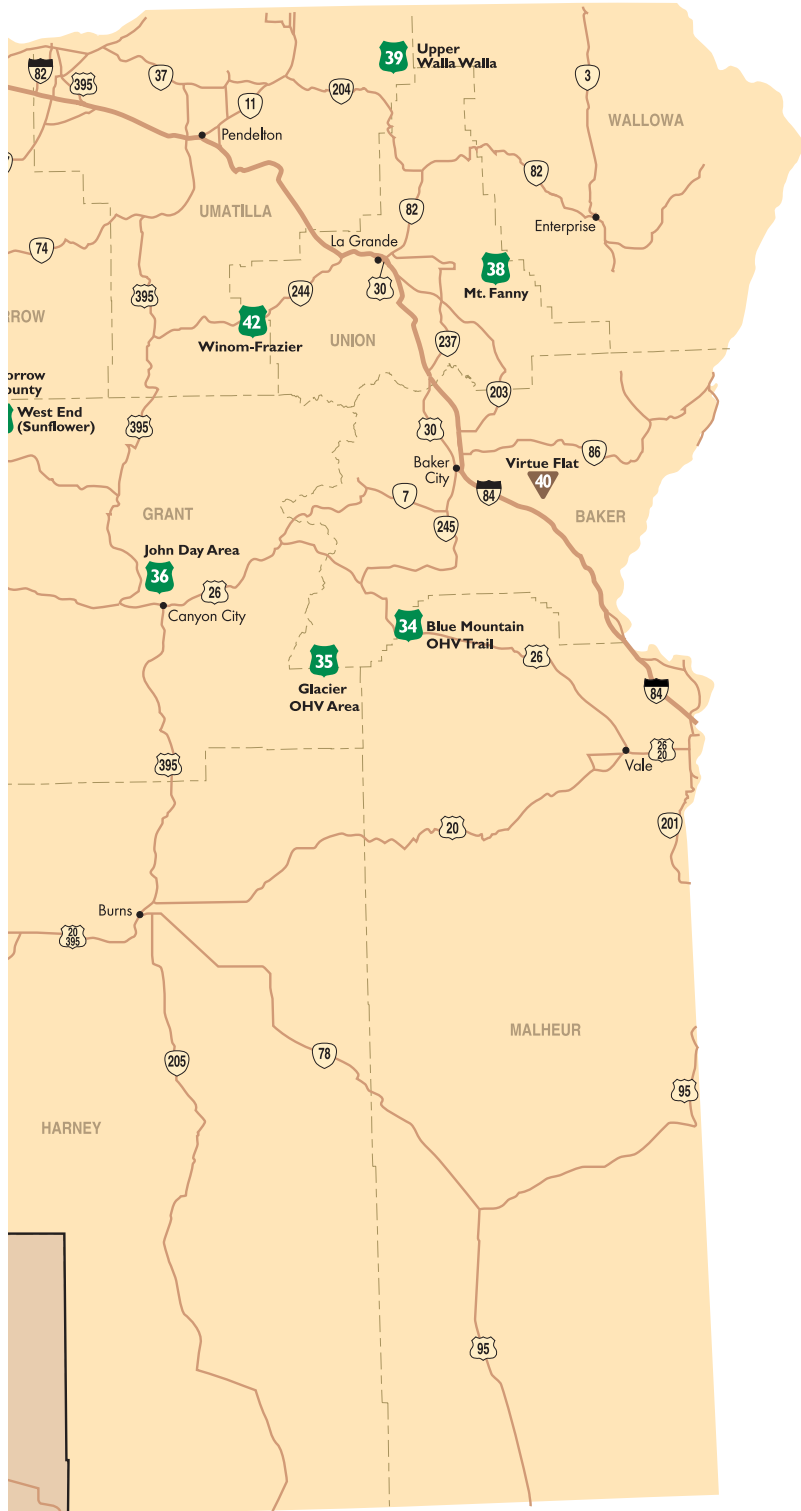

Before you go, contact the local agency office for site specific maps and other information necessary to plan a safe and fun trip.

COMMUNITIES IN OREGON

For more information:

1-800-551-6949
<http://atv.prd.state.or.us>

Recreation Permits

Be aware that some areas may require a day use permit. Each site has its own policies governing rates, locations, and activities covered. Please contact the local land manager to see if the site you want to go to requires a pass (see below).

Pass/Permit	Type of Pass/ Where Required	Cost	How to Buy/ Get More Information
Oregon State Park Day-use Pass	Day-use in 26 state parks	Per Vehicle: Annual - \$25 2 year - \$40 Daily - \$3	1-800-551-6949
Oregon Coastal Access Pass	Day-use parking permit for all state and federal sites on Coast along Hwy 101 corridor in Oregon	Per Vehicle: Annual - \$35 Daily - \$3 to \$5	1-800-551-6949

Washington & Oregon Recreation Pass	Day-use parking on most state and federal lands in Oregon & Washington	Per Vehicle: Annual - \$20 <small>(*In addition to Golden Eagle Passport, see below.)</small>	1-800-551-6949
Golden Eagle Passport	Admission to USFS, NPS, BLM, USFWS developed day-use areas	Per Vehicle: Annual - \$65	1-888-467-2757

ATV Permits

Your purchase of an ATV operating permit generates funds to develop and maintain ATV riding areas in Oregon. You must display the ATV permit if you operate an ATV in areas specifically designated for ATV use. There are three classes of ATVs:

Permit vendors

To find a permit vendor in your area, call 1-800-551-6949 or go to <http://atv.prd.state.or.us/permits.php>

Class I Permit

Defined:

- For vehicles 50" wide or less, **AND**
- Dry weight of 800 pounds or less.
- Have a saddle or seat.
- Travel on three or four tires.

Operating requirements:

- Have a valid driver's license, **OR**
- Have an ATV operator permit (this is not the operating permit described above. The operator permit can be obtained only by successfully completing an **ATV safety education course**), **OR**
- Be accompanied by someone 18 years or older who meets one of the above requirements.

Class II Permit

Defined:

- For vehicles more than 50" wide, **OR**
- Dry weight of more than 800 lbs., but less than 8,000 lbs.

Operating requirements:

- A valid driver's license.

Class III Permit

Defined:

- For vehicles riding on two tires, **AND**
- Dry weight of less than 600 pounds

Operating requirements:

- Be at least 7 years old, **AND**
- Have a valid driver's license, **OR**
- Have a special ATV operator permit (this is not the same thing as the operating permit described above. The operator permit can only be obtained by successfully completing an **ATV safety education course**), **OR**
- Be accompanied by someone 18 years or older who meets one of the above requirements.
- Riders who are at least 7 but younger than 12 years old must have both an **ATV operator permit** and be **accompanied by someone at least 18 years old** that has a license or an ATV operator permit.

ORS 821.174 Prohibition on operating Class I or III all-terrain vehicle while driving privileges suspended. Notwithstanding any other provision of law, a person may not operate a Class I all-terrain vehicle or a Class III all-terrain vehicle while the person's driving privileges are suspended or revoked. A person who violates this section is in violation of ORS 811.175 or 811.182, as appropriate. [1995 c.775 §7]

Always check with enforcement officials in the area you wish to ride for any special requirements.

Permit fee: \$10 (some vendors charge an extra .50)

DESCRIPTION: 8 trails are designated for use by Class III ATVs.

COMMENTS: Detailed information is available at the Galice Ranger District Office.

SEASON: Spring, summer, fall.

17 HUCKLEBERRY FLAT WILLAMETTE NATIONAL FOREST

Middle Fork Ranger District
46375 Highway 58
Westfir, OR 97492
Office phone: (541) 782-5202

WEBSITE: www.fs.fed.us/r6/willamette/

LOCATION: Approximately 31 miles east of Eugene on Hwy 58. Take Westfir exit. Left after green bridge onto Westfir Rd. About 2 miles into Westfir. Straight ahead at red covered bridge for 14 miles on FS road 19 to road 1928. Take right on road.

DESCRIPTION: 33 miles of trails for Class I and III ATVs.

COMMENTS: Detailed information and maps are available at the Middlefork Ranger District Office. Website does not have any trail information.

SEASON: All year.

Sound Decisions:

Regulations limit noise output from ATVs to maximum of 99 decibels at 20 inches from the exhaust opening. Several areas, however, have **more** restrictive noise limits. Be sure to inquire at the local office if additional restrictions apply.

Spark Arrester Regulations:

Riding ATVs in forested areas require the use of US Forest Service-approved spark arrester exhaust systems, at least April 1 – October 31. However, some trail systems may have more restrictive dates. Check at the local agency's office to be certain about the exact dates.

Riding areas may be closed due to extreme fire danger. **Always** check with local agencies.

18 **JOHN'S PEAK** BUREAU OF LAND MANAGEMENT

Medford District Office

3040 Biddle Road
Medford, OR 97504
Phone: (541) 618-2200

Heppner Ranger District Office
PO Box 7
Heppner, OR 97836
Phone: (541) 676-9187

WEBSITE: www.fs.fed.us/r6/uma/heppner/ohvarea.htm

LOCATION: Northwest of John Day near the town of Spray.

DESCRIPTION: 91,000 acres open to Class I and III ATVs with all degrees of difficulty.

COMMENTS: Full facilities available at nearby campgrounds. Map available from local USFS office.

SEASON: All year.

42 **WINOM-FRAZIER** UMATILLA NATIONAL FOREST WALLOWA-WHITMAN NATIONAL FOREST

North Fork John Day Ranger District
P.O. Box 158
Ukiah, OR 97880
Phone: (541) 427-3231

La Grande Ranger District
3502 Hwy 30
La Grande, OR 97850
Phone: (541) 963-7186

WEBSITE: www.fs.fed.us/r6/w-w/recreation/ohv/ohv-701.shtml

LOCATION: 35 miles west of La Grande, and 12 miles east of Ukiah. Access south of Highway 244 or from FS Road 52.

DESCRIPTION: 140 miles of trails. Easy to most difficult.

COMMENTS: Campgrounds nearby, restrooms. Map available from local USFS.

SEASON: All year.

Your ATV Funds at Work

ATV PROGRAM OVERVIEW

The intent of the ATV grant program is to provide opportunities for off-highway vehicle recreation. The ATV grant program is designed to supplement projects and is not intended to be the sole source of funding for ATV projects. Funds are allocated through the ATV grant program to eligible sponsors, which include managers of publicly and privately held land, registered OHV clubs, non-profit organizations, and law enforcement agencies.

ATV ACCOUNT ALLOCATION COMMITTEE (AAC)

The seven voting and four non-voting members on the ATV-AAC represent Oregon OHV users and serves as an advisory committee to OPRD for the purpose of recommending OHV grant funding. The committee members represent all three classes of ATV vehicles.

ATV FUNDING

The ATV sticker you purchase for your ATV is used to help provide you with areas to ride. Funding comes solely from ATV users and unfunded fuel taxes from ATV users.

TYPES OF PROJECTS

Development: New trail construction, bridges, trail signs, restrooms, shower facilities (Silcoos campground ODNRA) and many campgrounds and staging areas such as Browns Camp, Bull Run (ODNRA), and Mt. Baber were funded with ATV dollars.

Law Enforcement: Officers are funded to help ensure that your riding trip is safe and enjoyable. Not only do they make sure that riders play by the rules, but they help deter illegal activities in OHV areas, such as theft, vandalism and drug activity. Most of the officers you see can provide you with up-to-date area information or a map.

First Aid Services: ATV dollars help provide resources to assist in remote rescues. On the dunes, where ambulances cannot reach, special sand rails have been purchased to help retrieve patients. In other areas, funds are used for trail patrols during busy times.

Acquisition: Land can be purchased or leased for ATV riding development. For example, 6200 acres was purchased in Morrow County in 2003. Already 100-plus miles of newly developed trails and a new camping/staging area are available for visitors.

Operation and Maintenance: Many riding areas need some kind of maintenance. Trails need to be cleared after winter storms. ATV dollars have paid for OHV trail maintenance including Tillamook State Forest and the Millican Valley. Some areas need trail dozers and excavators to remove whoops, reconstruct water bars, and groom trails, which makes the trail more fun to ride and helps protect the environment.

Safety and Education: ATV funds help teach people to ride safely and properly. Grant dollars help pay for children under the age of 18 to receive motorcycle or ATV training at a reduced cost. The development of the safety training center in Tillamook is also an example of an ATV grant project.

Equipment Requirements

Helmet

Operators of Class I and III ATVs that are younger than 18 must wear a Department of Transportation approved helmet.

Mufflers

In Oregon, they must be maintained at 99 decibels. Lower levels are required at Sand Lake (97 dB) and the Oregon Dunes National Recreation Area (93 dB).

Lights

Must be used in limited visibility, such as before sunrise, after sunset, or when you cannot see clearly ahead for 100 feet.

Flags

Displayed nine feet above ground are required when riding on sand (Sand Lake, Oregon Dunes, Christmas Valley).

Brakes

Working brakes are required.

Windshield Wipers

Are required on any vehicle equipped with a windshield.

Spark Arrester

US Forest Service approved spark arrester for Class I or Class II ATVs.

Check with the land manager in the areas you plan to ride on. They may also have additional requirements.

ATV Rules

Alcohol and Drugs

You cannot operate an ATV while under the influence of alcohol or drugs.

Animals

It is against the law to run down, harass, chase or annoy any game or domestic animal or bird while operating an ATV.

Crossing Highways

You may cross a highway 100 feet away from intersections, at a 90 degree angle, and after making a complete stop. You must yield right-of-way to all other traffic.

Crossing Railroad Tracks

You may cross railroad tracks only at established crossings.

Fire Restrictions

Make sure you check current fire restrictions. Areas may restrict riding to roads only or close the entire area to ATV use during fire season. Use care with campfires. During fire season campfires may be restricted to campgrounds only or even banned all together. Never leave a fire unattended. Most areas require that passenger vehicles carry a shovel and fire extinguisher or water.

Dangerous Operation

You must operate your ATV safely at all times. You cannot ride in a way that endangers other people or property.

Enforcement

Most OHV riding areas employ law enforcement officers to patrol areas. State police, sheriff deputies, USFS and BLM rangers have authority to issue citations and make arrests. Citations may be issued to parents of children under 18 years of age. Make sure you have a fun trip and obey the rules.

Environment

You are not to expose the underlying soil or vegetation, or injure, damage or destroy trees or growing crops.

Firearms and Bows

You cannot operate an ATV with a loaded firearm in your possession. The same applies to a bow and arrow, unless all arrows are in a quiver.

Hunting

You may not hunt from an ATV. You may use the ATV for transportation but you must stay on trails, keep all firearms unloaded, and when shooting game, be completely off of the ATV.

Out-of-State ATVs

Permits are available from OPRD for a visitor from a state that does not have an ATV registration law. The permit is \$10.

Property Damage Responsibilities

The operator or owner (if the machine was used with the owner's permission) is liable for three times the amount of damage caused to trees, shrubs, growing crops, or other property injured as a result of travel by an ATV or snowmobile over the property involved.

Speed

You must travel at a speed that is reasonable for the existing trail, traffic and weather conditions, and obey all posted speed limits.

A Division of the Specialty Vehicle Institute of America

The ATV Safety Institute (ASI) is a non-profit organization promoting safe and responsible use of motorcycles and ATVs. They offer courses that emphasize safety and courtesy.

Call ASI for more information at
1(800) 877-2887 or visit
www.atvsafety.org

Motorcycle Safety Foundation's Dirt Bike School:

The Motorcycle Safety Foundation (MSF) offers "The Dirt Bike School" to train Class III ATV riders in proper riding techniques, emphasizing safety and courtesy.

For information call MSF at 1(877) 288-7093 or visit www.dirtbikeschool.org.
